SUBJECT: UK UNDECIDED ON IOM VOTE

REF: STATE 054562

(SBU) On June 04, PolOff spoke to Mary Batchelor, who is the IOM Liaison with the UK Bureau of Migration (BOM) at the Home Office. She stated that HMG has not decided who the UK will support in the June 18 vote for Director General of the International Organization for Migration (IOM), and that its decision would "almost certainly not" be revealed prior to the vote.
